Kinder Orientation

Welcome to the children who came to our Kinder Orientation Program yesterday. The children had a tremendous time getting to know the School and the older students by playing and interacting in the class room and the playground.

MESSAGE FROM MY DESK

SURVEYS

All parents will be asked to participate in three school surveys. These surveys will be asking parents to contribute information about homework, Mathematics and Welfare/Behaviour at Wyalong Public School. Your contribution to the surveys will enable the school to make adjustments and develop the current programs already operating. These surveys will be sent out this week and need to be returned by next Wednesday. I would greatly appreciate your support.

All students are expected to participate in swimming for sport. It is a great way to cool off and to develop swimming confidence for the summer months. Please bring swimmers, towel, appropriate swim wear and sun shirt. Active After School will also be at the pool- another great opportunity for our students. Have a great week!

Mrs Corke.

Toppy Happenings

ACTIVE

Active After School will be held at the pool. The water slide will be supervised for these sessions.

Swimming for Sport

SWIMMING FOR SPORT EVERY MONDAY

Swimming items should be placed in a bag strong enough to take large items such as a towel and hold wet swimmers etc after swimming. Please do not send a light plastic bag as the handles usually break at the pool. Pool entry for school children at \$1.40 each and \$1.00 is also needed for bus fare.

So – each Monday \$2.40 per child is needed before students attend the pool.

Students who do not bring swimming gear or money will remain at school.
