### *Message from my desk.....*

We had 13 amazing speeches this morning. I was very impressed with the confident and fluent delivery of all speeches and I was pleased with the commitment to learning and our school community that individuals expressed in their speeches. Well done, it is going to be very difficult to choose our captains and prefects for next year.

We are very excited to have Fox Studios here Friday to work with the choir in developing something special for our School, look out for more information in the coming weeks.

Staff are very preparing for report writing, I am getting some very positive feedback about student achievements in the classroom. Keep up the fantastic work.

With only 5 weeks to go until the end of term parents are reminded to finalise any outstanding payments for buses, concert costumes and swimming.

**Have a Great Week!!!!**

**Jason Hurley - Relieving Principal**

### Kindergarten Orientation:

What a great day we had with our Kinder Orientation students on Monday. It was very busy but the students are getting quite familiar with the routines and well on the way for the "big" school experience next year.

Next week is another full day and the following Monday will be the final orientation day. On the last Monday parents are invited to attend a small ceremony where students will be presented with an award as well as a package of information for next year.

Mr Hurley and Mrs Blackwood will also talk to parents as well.

### Swimming for Sport:

The hot weather has been a bonus for our swimming program. The students and staff have all been enjoying the cool water.

Please ensure that your child/children continue to bring a rashie or shirt to swim in, a towel, swimmers and goggles (if needed) each week, along with \$3.90 for the bus and admission costs, \$2.00 if you have a season ticket.

### Book Clubs:

Book Club leaflets were handed out yesterday. If you would like to order any books please return the order with money by Wednesday 18<sup>th</sup> November.
