## Term 4 Week 7

### *Silver Pennant*

*Congratulations to Braidy Woods on receiving his Silver Pennant at last week's Assembly.*

### *Message from my desk.....*

What a fantastic term we are having, a big thank you to Flying Fox Recording Studios, Amanda Cooper and Peta Smith for organising and working together with the Choir to record a CD last Friday. We look forward to hearing it when the CD is finalised. We still have a very busy term ahead of us, next Thursday Year 4 students will get their first taste of the Middle School Program by attending an orientation morning at the High School. This will be followed in Week 9 with the High School Orientation Program to Year 7.

As the term comes to an end we are in need of getting things back into our School that have been sent home with students or parents. Could you please make sure all Library books including Town Library books are returned, all outstanding bus (including Middle School) and pool money are paid to the Office. Any parent or community member that has been given keys to help out in maintaining the grounds or School Canteen need to return these as soon as possible so we can complete an audit on the keys we have and so that they can be redistributed in the coming year as people take on rolls within our School.

We have some big events coming up in the next couple of weeks including the Year 6 dinner, Presentation Night and Enrichment Day. Please keep an eye out in the newsletter and on our Facebook page to ensure you are up to date with what is happening around the School.

**Have a Great Week!!!!**

**Jason Hurley - Relieving Principal**

The Information Session will run between 2.00pm and 3.00pm.

### Swimming for Sport:

Please ensure that your child/children continue to bring a rashie or shirt to swim in, a towel, swimmers and goggles (if needed) each week, along with \$3.90 for the bus and admission costs, \$2.00 if you have a season ticket.

Visitors to the Library will have the opportunity to read from and contribute to our collection of zines. Our aim is to give small communities the platform to tell the world about their place in Australia, small schools, culture, local industry, geography, history, current issues, exciting projects, initiatives and celebrations in your area. Travel Australia through the eyes of locals without ever having to leave your classroom.
