Term 4 Week 8

Silver Pennants

Congratulations to Tayah Worner and Toby Thacker on receiving their Silver Pennants at last week's Assembly.

Message from my desk.....

The school is a buzz with excitement as we count down to the School Excursion to be held next week. I know the staff are certainly looking forward to spending some fun filled time with our students.

A note will go home today with our Year 5 students explaining the procedures around performing their speeches for School Captain and Prefect for the 2017 year. Next week year 5 will be asked to deliver their speeches at the Monday, Tuesday and Wednesday morning assemblies. The whole school will vote on Wednesday.

A huge thank you to Katie Clemson who completed her work experience with us this week. Katie was a tremendous help with our Kinder Orientation students. Thank you Katie, you did a wonderful job!

This year's presentation night is fast approaching and we ask anyone with perpetual trophies to please return them to the school. The perpetual trophies include the, Gladys Lawrence Award for leadership, Marie Maitland Award for excellent behavior, Haworth Award for citizenship, Beckett Award for excellent behavior, Carol Friend Award for improvement in Literacy and the Adam Reid Memorial Award for the quiet achiever.

This year we will also present the Harry Worner Sportsmanship Award. Please remember that our presentation night will begin earlier this year with a starting time of 6.30pm. Students are reminded to come dressed in their summer formal school uniform, which is *Toppy shirt and dark grey shorts or pants with black shoes or boots for boys and Toppy shirt, royal blue skort, white socks and black shoes for the girls. If the girls would prefer to wear their winter formal uniform, navy opaques and tartan skirt or pinafore they may.*

We have a scheduled Power Outage at Wyalong Public School on Thursday the 1st of December. The school will continue to operate with modified learning programs to accommodate our students on the day. As we will not have air-conditioning, we will have procedures in place to ensure students remain comfortable and cool.

We believe everyone is someone at WPS. We deliver personalised learning & prepare students to be resourceful, resilient, and future focused. Our school is responsive to the community by collaborating and producing innovative learning opportunities.
