## **Term 4 Week 10**

### ***Message from my desk.....***

As you all may know, Santa has contact with some of the school Principals at this time of year, and it was lovely to chat with him over the weekend about the students at Toppy School. He was thrilled to bits with the behaviour of our students and assures me that as long as everyone behaves for their parents he will deliver presents Christmas Day! YAY!!!!!!!!!!

A gentle reminder that the Presentation evening is tonight at the S&C Club starting at 6.30pm sharp. If you could be at the club no later than 6.15pm to have your child seated, that would be greatly appreciated.

We are currently finalising staffing for next year and will send home a note with students on Thursday (I will take it to Middle School to distribute to 5/6) with the final staffing arrangements for 2017. Our focus next year continues to be on Quality Teaching, Data Analysis, Student Engagement and Student Improvement.

In closing, it has been wonderful to work with you all again, thank you all for being such wonderful and supportive parents within our Toppy School Community, I am privileged to be the Principal of such a progressive small school!

We will truly miss our year 6 students as they spread their wings and embark on the next chapter of their learning. I am excited about returning in 2017 to work alongside you all in ensuring that our students have the best opportunity to learn, grow and be happy!

Merry Christmas & Happy New Year

Please don't hesitate to contact me with any questions you may regarding your child's education at Wyalong Public School next year!

*We believe everyone is someone at WPS. We deliver personalised learning & prepare students to be resourceful, resilient, and future focused. Our school is responsive to the community by collaborating and producing innovative learning opportunities.*
