## Spring has sprung at Wyalong Public School!!

What a great week we had last week, returning to school for Term 4.

Our school grounds make our school a wonderful place to learn, play and grow.

***We enjoyed a visit from the NSW Department of Education's External Validation Team last week as they came and validated our school. We were thrilled to have received such a successful outcome and were humbled by the lovely things they had to say about our school!***

***This is truly exciting, and a great reflection of the hard work our teachers, students and community do in working together to maintain our schools high expectations and values.***

There are so many opportunities for our students to engage in throughout the term so please ensure you are following our newsletters and Facebook page for any information. A swimming for sport note went home yesterday. If you did not receive one, please contact the front office.

Sam Bailey will visit our school on Friday to give a powerful, inspiring talk to our students about how becoming a quadriplegic doesn't keep him from achieving his dreams. He hopes to become the first quadriplegic in the world to fly a helicopter and fly into schools to speak. Meanwhile, he's spreading the word travelling in a more conventional way... by car. If you would like to hear Sam's story too, drop into the school hall on Friday 2pm!

Have a fabulous week!

Opportunities are created here everyday!

Looking forward to seeing many faces joining in and reaping the benefits of swimming training.
