

Wyalong Public School

"Future Focused, Resilient & Innovative"

Celebrating
125
years

We are excited to be involved in West Wyalong's Hope Initiative next weekend.

At Wyalong Public School, we hope for 'quality education for all students.'

Our school leaders will attach a padlock engraved with what we hope for to the sign during the HOPENING ceremony at McCann park on Saturday 9th November starting at 4pm

Our choir will be performing on the night and students are reminded to return their permission notes. We would love to see everyone there supporting our students.

It was wonderful to welcome our new Kinder orientation students and their families to our school on Friday. Starting school is such an important milestone and the Kindergarten Orientation experience is one that we as staff feel privileged to share with our families.

Kindergarten Orientation will continue this Friday as a half day 9-12pm.

Tuesday 5th November is the first week of our Swimming for Sport program. Please ensure all notes and money are returned by this Friday.

Swimming is a valuable life skill to develop.

Tomorrow our students will have the opportunity to participate in activities with Sally Russell from the LCCC. They will be following the Water Watch program and developing their understanding of the importance of healthy waterways and the positive impact water bugs have.

There will be a P&C Meeting this afternoon at 5.30 pm in the Library, it would be great to see some new faces.

Have a great week!
