

# Wyalong Public School

*"Future Focused, Resilient & Innovative"*

Congratulations to our students that represented the school at the Lower Lachlan District Swimming Carnival in Lake Cargelligo on Friday. Your team spirit and enthusiasm is a credit to you all. A massive thank you to our parents who transported and supported our students on the day.

Intensive Swimming has now finished, students who participated in the program showed great improvement in their swimming skills. **Well Done!**

This week we will conduct our student welfare, **Feeling safe survey**. These surveys are conducted several times a year. The surveys are a map of the school on which student's are asked to colour places they identify as being safe or unsafe.

The information gathered from these surveys helps staff to identify areas of the playground which are popular and enjoyable and areas that may cause students concern. This information help staff to assist students to feel safe and HAPPY while at school and inform staff on how to best support all those in the playground while they are on duty.

On Friday after the school assembly, students will be participating in the Clean up Australia Day. *Parents are most welcome to join in.*

We will also have a visit from the local fire brigade in the afternoon to talk to students about Fire Safety.

Healthy Harold will be visiting the school in Week 8.

Notes will be going home next week.

*Lacey Pettit*

# *At Wyalong Public School we believe your child is **SOMEBODY!***

As a small school, we cater to each child's individual strengths by delivering personalised learning and preparing students to be

**resourceful, resilient and future focused.**

Our teachers recognise that it is their high expectations and quality teaching that influence the best student outcomes.

**Your child's educational experience is our core business; we strive to offer students at our school a quality educational experience and opportunities for learning that only a small school can offer.**
