

Wyalong Public School

"Future Focused, Resilient & Innovative"

A huge thank you to those who worked over the weekend, maintaining and cleaning our school grounds in preparation for the school Capsule Opening -Saturday 23rd March.

Those who would still like to contribute to the day can contact Tiffany Worner to join the 125 years celebration committee or drop off cakes or biscuits to the school by Friday the 22nd of March for the morning tea.

Wyalong Public School was the host to teachers from around our district last Thursday as they came together for some collegial professional learning around the curriculum.

The day provided a wonderful opportunity for staff to develop and share resources that will greatly benefit our students.

As we transition our students into 21st Century Learners, we are exposing them to computer based learning and online assessment. Next term our school will transition from the administration of the years 3 and 5 paper NAPLAN to administering it for students to access online. A letter will be sent home shortly outlining more details around NAPLAN 2019, in the mean time please don't hesitate to contact the school for information.

Our annual visit from Healthy Harold takes place next week. I am feeling very excited about Harold's visit to our school and can't wait to hear of all the adventures he has had since we last saw him. Healthy Harold will be visiting Monday, Tuesday and Wednesday next week.

Today marked the last day of Swimming for Sport this term. I am so proud of our students improvements. The students swimming improvements have validated the importance of our Swimming for Sport program, CONGRATULATIONS everyone!

*Have a great week,
Meg Staples
Principal*

*At Wyalong Public School we believe your child is **SOMEBODY!***

As a small school, we cater to each child's individual strengths by delivering personalised learning and preparing students to be

resourceful, resilient and future focused.

Our teachers recognise that it is their high expectations and quality teaching that influence the best student outcomes.

Your child's educational experience is our core business; we strive to offer students at our school a quality educational experience and opportunities for learning that only a small school can offer.
