*"Future Focused, Resilient & Innovative"*

*Celebrating*  
**125**  
*years*

*Last Friday, we had a number of students representing our school at the District Cross Country at Ungarie. The conditions were incredibly challenging, with freezing wind and rain falling throughout the race. I would like to commend all those students for trying their best, even when it was hard. Thank you to parents who braved the weather and supported our students.*

*Congratulations to Hayden Taylor and Amelia Worner were successful in advancing to the next level. We wish them all the best.*

*This week our Year 3 and 5 students are participating in the (NAPLAN) National Assessment Program—Literacy and Numeracy tests. This will take place Tuesday, Wednesday & Thursday.*

*Tomorrow our 4/5/6 boys will have the opportunity to participate in a Boys' Day focusing on building confidence, resilience, cyber safety, friendships and self care.*

*The Girls' Day will follow later in the term.*

*As a fun way to finish off our week, we will have a visit from a real life acrobat, who will perform and teach our student some circus art skills. These skills will be on display in our concert next term.*

*Have a wonderful week!*
