"Future Focused, Resilient & Innovative"

Celebrating
125
years

WOW!!!! What an amazing morning we all had welcoming the "Variety Bash" participants into our school and providing them with breakfast. The positive comments about the breakfast, our grounds and of course our students were incredibly humbling! The donation they presented us with, has allowed us to purchase new furniture for the K/1 classroom.

It was great to see all the smiling faces as our students spoke with the visitors and checked out the vast array of costumes and decorated cars. The "Super Hubert" magic show was a great way to finish off our morning after farewelling our visitors. The general consensus amongst all students was ***"this was the best morning ever!"***

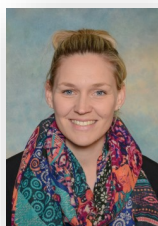

THANK YOU doesn't seem to be enough to say, to express our school's gratitude towards people who donated items, organised different aspects for the smooth running of the event and the many sets of hands who set up, cooked and served the food and packed up once they left. It is an amazing feeling belonging to such a committed and dedicated school community and wider community.

Yesterday Year 6 travelled to Wagga to engage in a Grip Leadership conference. The focus of the day was developing myself as a leader and how can I help my team. The students were informed by various presentations by guest speakers, interactive activities with students from other schools, discussion session and games.

Good luck to our debaters on Wednesday, as they compete in their first formal debating competition. We will be hosting Ardlethan and the debate will take place from 1pm.

Have a wonderful week!

THE VARIETY BASH

The Variety Bash came to our school and there
were some amazing cars. I got a cap from Micky
Mouse. The magician had Ryder and Amelia up.
Then they had to hold hands and Ryder had to put
a scarf under his t-shirt and Super Hubert made
Amelia's scarf go under Ryder's t-shirt. Then he
got a door and he opened it and he turned it
around and the rabbit only had a bottom. It was
funny.

Reading achievement and student absenteeism

In PIRLS 2016 (Progress in International Reading Literacy Study), students were asked about behaviours that could limit reading instruction*. Here are some of the results for absenteeism.

Australian data show a clear relationship between student achievement and absences from school. Fewer absences are associated with higher average achievement in reading.
