LAST DAY TERM 2

There is a buzz of excitement floating around the school this week in the lead up to our excursions to Canberra. The 3-6 students will depart school at 9 am tomorrow for 3 action packed days exploring some of the main attractions Canberra has to offer. K-2 will join us on Friday for the main event watching the production of "Disney on Ice". All students attending the one day trip are reminded to be at school by **5.45am** for a **6am** departure time.

Last Friday our 3/4 students had the opportunity to participate in the Todd Woodbridge Cup. It was an opportunity for all student to learn new skills in tennis, make new friends and represent our school with great sportsmanship.

Pie orders will be available for pick up from 2pm on Friday, please come to the front office for directions

Just a reminder we will be re-sinking our time capsule early term 3 during Education Week. If any families or individuals would like to place an item in the capsule, please feel free to drop off to the front office in the coming weeks.

Have a wonderful week!

Time for You to give A Frock!

'100% of NSW drought declared'. 'NSW is experiencing one of the most severe droughts on record'. 'The worst drought in living memory is sweeping parts of eastern Australia'. Yes, it's bad, devastating, in fact. The overwhelming cost of keeping stock fed and watered and replanting crops has put huge pressure on our household budgets. Tallimba, a small town in Central Western NSW, is no exception. As a farming community, we have been affected as much as, if not more than, many similar regions. However, like the great pioneers who worked together to build this district, we have decided to do something about it together.

Tallimba has a 28-student school, and the P&C of this wonderful little school is not going to sit around and wallow in misery and uncertainty. We have a fantastic idea to raise some money for our school, reward the ladies in our community with a great night out and invite others to our little town to celebrate the strength of sticking together through difficult times.

Between a Frock and a Hard Place

Tallimba P&C is hosting a 'Fashion Fundraiser' on the 31st August, 2019. There will be sparkling drinks on arrival, an elegant grazing table and a variety of clothes, shoes and accessories to buy. It will be a night of putting our troubles aside, a night to make ourselves feel a little better about our situation, a night to join with others just like us, for fun and a little bit of frivolity.

We are humbly asking you for a small donation of clothing, shoes and/or accessories to have available on the night to sell for a nominal price. All proceeds from the night will go directly to Tallimba Public School's P&C to help with the many out-of-pocket expenses that occur during the schooling years. Many of the families at Tallimba Public School have more than one child at the school, so these expenses can add up quite quickly. Rather than have these students miss out on opportunities because of a lack of funds, the P&C would like to do what we can to make the most of these opportunities.

Ladies in rural areas often miss out on social occasions due to farm, work, family and community responsibilities. On top of this, dedicating time and money to travel to a social event or purchase new clothes becomes the lowest priority when times are tough, even though now more than ever women in our community need a break and a night out spent with friends.

You can be sure that anything you donate will help us make this night a night to remember! Thank you in advance for your thoughtfulness and generosity.

If you have any questions, or feel that you are able to help us out, please do not hesitate to contact members of our P&C. They would love to answer your questions, discuss details etc.

Thanks for giving a Frock!

*At Wyalong Public School we believe your child is **SOMEBODY!***

As a small school, we cater to each child's individual strengths by delivering personalised learning and preparing students to be

resourceful, resilient and future focused.

Our teachers recognise that it is their high expectations and quality teaching that influence the best student outcomes.

Your child's educational experience is our core business; we strive to offer students at our school a quality educational experience and opportunities for learning that only a small school can offer.
