**FIRST DAY TERM 3**  
**Sport**

Last week our 3-6 students travelled to Canberra to engage in some wonderful experiences such as the Dinosaur Museum, Cockington Green Gardens, the Telstra Tower, an AIS tour, Questacon and the War Memorial. We were met on Friday morning by a very excited bunch of K-2 students to watch the "Disney on Ice" spectacular. The looks of excitement and engagement on their faces throughout the show made the early morning well worth it. All students should be commended on how they represented our school and on their behaviour during these excursions.

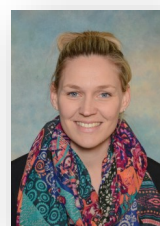

My highlight of the excursion was the opportunity for our school to lay a wreath in remembrance of Lance Corporal Michael Francis Macoboy and his service in the First World War during the Last Post ceremony at the Australian War Memorial. It was a special service to be involved in and our school captains Lily and Malachi laid a wreath at the end of the reflection pool.

A huge **THANK YOU** to all staff who accompanied our students and allowed the excursions to take place.

*Tomorrow we will have a visit from Mrs Burke the Director of Educational Leadership. She will be having a look through our classrooms, engaging with students and speaking to our teachers about our school.*

*Have a wonderful week!*

## Nationally Consistent Collection Of Data

Every year, all schools in Australia are required to provide data on students who are receiving learning and support in the classroom or who are involved in additional learning support programs throughout the school.

This information is used by the Australian government to help determine the future support needs of our students.

If you have any questions about this data collection, please contact the school.
