**Our roses have  
enjoyed this  
weeks rainfall!**

We are certainly back into our school routines with plenty of wonderful learning opportunities taking place. Walking around our classrooms students have returned settled and ready to engage in all that our school has to offer. It was lovely to see our students sharing their "If I was Prime Minister" persuasive writing during assembly. I look forward to seeing what learning will be showcased this coming Friday.

Our students participated in a Rugby Union clinic on Friday with Zac, the Rugby Union Development Officer. It was wonderful to hear the positive feedback given by Zac about our students behaviour and eagerness to participate in the skill based activities. We will have 2 more of these sessions during the term.

Parent Teacher interviews will be held tomorrow afternoon.

It is not too late to make an appointment to speak to your child's teacher.

Please ring the office to book an appointment time.

*Your child's education is not only our core business, but something we take pride in and want to share with you.*

*Next Tuesday we will have our next P & C Meeting, it would be great to see some new faces, for fresh ideas and extra sets of hands to assist with different events the P&C run.*

Have a wonderful week!
