*"Future Focused, Resilient & Innovative"*

Celebrating  
**125**  
years

Last Friday, our Primary students participated in a Milo Cricket gala day. Students are to be commended on their behaviour and sportsmanship throughout the day. From all reports everyone enjoyed the experience and look forward to participating again next year.

Year 3 and 5 NAPLAN results will be sent home with students today. If you have any questions relating to these results, please do not hesitate to contact the school and arrange an appointment with your child's classroom teacher.

This Friday we will be welcoming students from Barmedman, Tallimba, Weethalle, and Ungarie to participate with us in an Emergency Services Day. The day will provide students with information about what they should do in an event of an emergency, provide hands on experiences and real life demonstrations of the services working together.

**Thank you to Constable David Whiter and Gerard Payne for coordinating this event along with Evolution Mining who have kindly donated the BBQ lunch.**

As the term is drawing to an end, I would like to take this opportunity to thank our amazing P&C and school community for the continued support and dedication they show towards our school. From cooking BBQs, fundraising for teaching resources and keeping the lines of communication open with the school they improve the school in countless ways.

I wish everyone a safe and relaxing holiday and look forward to welcoming you back fresh for Term 4 beginning on

**Monday, 14th October 2019.**

Have a great week!
