"Future Focused, Resilient & Innovative"

Celebrating
125
years

It's Concert Week!

We are busy preparing for our whole school concert to be held this Friday at both 11am and 6.30pm at the S&C Club.

The concert provides a wonderful opportunity for our students to learn, play and grow in confidence as they have engaged in the creative arts program this year. Our students will have the chance to showcase their singing, dancing and drama skills during our concert **"The Greatest Show."**

A special thank you to all staff for all the extra work they are putting in to make the concert a wonderful learning opportunity for our students. We hope to see you there!

All staff have been involved in professional learning this term. This provides rich opportunities for staff to develop and enhance their knowledge and practice. Our staff are dedicated to improving the quality of teaching and learning at Wyalong Public School to meet the needs of our students.

If there is anything you wish to discuss with your child's teacher about their learning, please contact the school to arrange an appointment.

School photos have been scheduled for Tuesday 22nd October 2019. A note will go home with students next week.

Have a great week!
