

Wyalong Public School

At Wyalong Public School students, staff and the community are committed to being respectful, responsible and resilient learners. We have high expectations of ourselves and others. We are life-long learners and responsible citizens.

Everyone is someone at Wyalong Public School!

2nd March 2021

Welcome to Week 6

Welcome to the Tillman Family
A big welcome to the Tillman family who started yesterday.

Congratulations Calab

Calab West was one of 25 students across the state who was selected as the recipient of the 2020 'NAIDOC Medal of Excellence'. This initiative was to provide students with a greater understanding on the importance of friendship and cultural diversity. This was presented to Calab on Friday's assembly.

In the Classrooms

The 1/2 students have been learning what the difference between a fragment and a sentence is. They are very confident in explaining that a sentence must have a verb! As a result of understanding what a sentence is, students have been able to write their own amazing sentences.

Year 1-6 have been engaged in the Accelerated Reading program with students selecting their own book from their reading zone. The quizzes have been motivating the students to read for meaning and enjoyment.

Kindergarten students have been learning about the days of the week and particularly enjoy singing 'Days of the Week' that follows the melody from the Addam's Family.

P&C AGM

The P&C meeting will be held on the 16th March at 5:30pm in the school library. This will be the AGM. Please come along and support the P&C. It is also a great time to have your input into the school and find out what is happening.

Report Survey

The staff are currently undertaking a review of our current semester reports. Some parents completed the 2 minute survey during the Parent Interviews and the information was very valuable. We would value more if you could scan the QR code and complete the survey.

PBL

Yesterday students had their first PBL celebration with all students receiving a zooper dooper.

The students through the SRC, have decided that the three options for weeks 6-10 are crazy hair, 10 minutes extra play time or lunch at the park.

A huge thank you to Cam Stokes for constructing our PBL voting box which now makes the voting very visual for the students!

This week our PBL focus is behavior when lining up. Students will be reminded of our expectations of when lining up under the C.O.L.A and before class.

Respectful	Responsible	Resilient Learner
Music off, voices off	Standing on class line	Right place, right time Line up quickly after the bell

Planetarium

On Friday students will travel through the universe with the awe-inspiring Planetarium. The space adventure will take place at Toppy Hall.

K/1/2 - 9:00 - 10:00am
3/4 - 10:00 - 11:00am
5/6 - 1:00 - 2:00pm

Mother's Day Stall

The Year 6 are organising the Mother's Day Stall. A note went home on Monday. Students are asked to return their note by Monday 8th March to allow Year 6 students to order the gifts.

Have a great week,

Kylie Taylor
Principal

2nd March 2021 - Canteen

2nd March 2021 - Swimming for Sport

Classrooms
Week 6

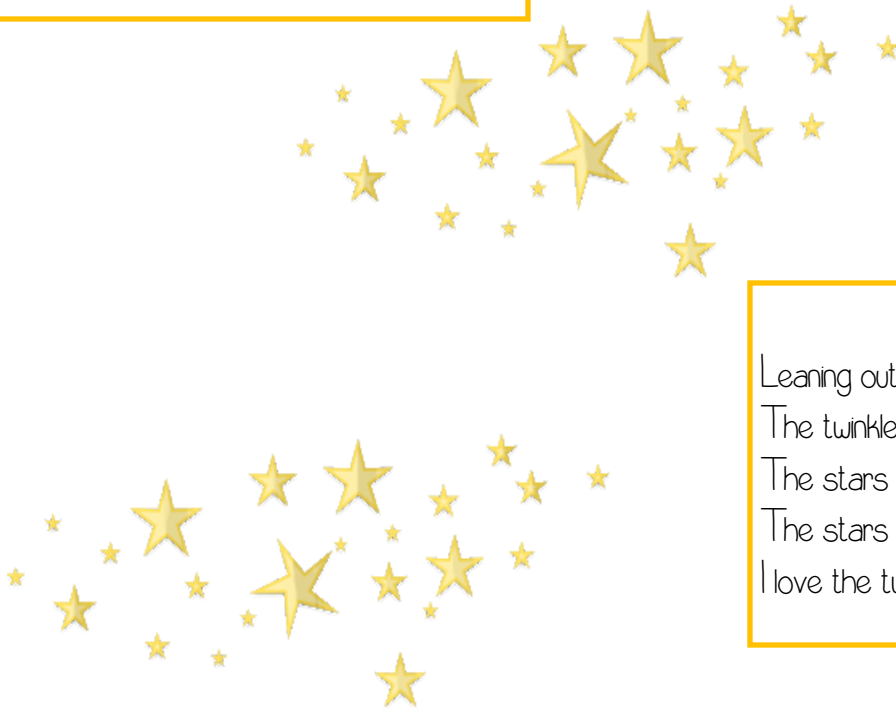

LEARNING
IS
FUN

Twinkle Setting

It was a miserable and cold night.
The town was quiet.
It was a starry night everything was still.
She sees a green cricket in the garden.
The girl was looking at the stars.
She was staring out the window.
She was lonely
The cars were driving
It was a cold and stormy night

Displaying Student Work

Twinkle setting

Leaning out the wooden window.
The twinkle stars were in the house.
The stars were twinkling in the sky.
The stars looked like a camera flash.
I love the twinkling stars in the very big sky
