## Last week of term 2!

Congratulations to all our students who have worked hard this semester! Staff have challenged their thinking and our students have demonstrated their resilience by accepting these challenges. All our students deserve a well earned two week holiday.

## Athletics Carnival

Last Tuesday we held our school's athletics carnival. The weather was perfect for the day. All the students participated with athleticism and sportsmanship!

Congratulations to our age champions:

Senior - Lani Stanton, Emily Ryman and Liam Mitchell

11 years – Colby West and Ryder Pettit

Juniors – Clementine Tillman and Cody Weeks

Minors – Abbey Crowe and Calab West.

Congratulations to Neeld for being the winning marching team as well as the overall house champion.

Thank you to Mrs Pettit and Reggie for organising the event. Thank you to Jess and her team of helpers in the canteen including those who cooked the delicious cakes, biscuits, slices and soup. Thank you to the parents and supporters for time keeping, crowd control and encouraging students to do their best.

## Reports

This week reports go home. If you have any questions about the reports or your child's learning please do not hesitate to contact the school.

## Reading Challenge

Over the holiday we have a reading challenge for the students that will be sent home this week. I encourage all students to participate and we would love to see photos or videos of the students reading. Feel free to message them through our messenger and we can share everyone's challenges on Facebook.

## PJ Day Friday for PBL Celebration

On Friday we will be having our PBL celebration day. Students have been earning their tokens and choosing between PJ day, sports day or hot dog day. PJ was the winning category. So on Friday students and staff will be wearing their pyjamas. *Please wear appropriate shoes for sport.*

## Canteen - Friday

Only sausage sandwiches are available for lunch on Friday for \$2.00

All drinks are available and normal recess orders.

## P & C Grant

Thank you to all the P&C members who have worked hard on the application for the Strong Community Fund Grant. A massive thank you to Donna who has compiled all the community support, research and quotes to write the application. Fingers crossed we are successful as our students were very excited about the prospect of a new and safer playground after they completed their survey. The P&C we be notified in mid September.

## Students Return

Students return to school on Tuesday 13<sup>th</sup> July. Staff return on the Monday but will be busy learning about how to effectively develop students' background knowledge and vocabulary through reading and writing. This will be the beginning of us focusing on the upper strands in the reading rope.
