Week 7

Rorie is Number One for Lower Lachlan

Congratulations to all our 24 students who represented our school with athleticism, sportsmanship and pride last Wednesday at Ungarie for the Lower Lachlan District Cross Country.

A big congratulations to Rorie who was first in the girls 8/9 years. This was a great achievement and well deserved after all her training. Ryder, Clementine, Cody, Summer and Max will be joining Rorie at Western cross country in Geurie in two weeks.

Parent Interviews

Teachers will be holding parent interviews on Tuesday 8th June. This is a great opportunity to see what your child has been learning and talk about future goals for their learning. Please return your notes to book your interview times.

Reading Information Session

Thank you to all the parents and community members who attended our reading information session last Tuesday. We have had positive feedback from the afternoon and we are already thinking about our next session. If anyone has any questions or would like further information please call the school.

The staff and I would like to thank Taylor, Macey, Anna, Sarah, Daniel and Aiden, West Wyalong High School students, for helping look after over 40 children! Their supervision ensured parents could be focused in the information session knowing their children were safe and happy.

PSSA Basketball

We also wish our girls and boys basketball team all the best for their PSSA game on Friday when they play West Wyalong Public School.

A New Playground could be Just a Survey Away

Our P&C are applying for the Stronger Country Communities Fund grant to upgrade our play equipment. They need your help in completing a two-minute survey.

Our play equipment is an essential part of our school facilities. It provides students with a place to play with their friends and develop their social skills. It promotes physical activity including core strength, balance, coordination and gross motor skills. Our playground is also open to the community after school, on weekends and in the holidays. It helps promote a sense of belong to our community.

Currently, some of our play equipment is out of bounds due to the department not allowing the equipment to be used. Our sand is also in great need of replacing to ensure it provides the safest experience for our students.

This QR Code is a direct link to the survey. Please take a moment to complete it.

Reconciliation Week

It was a privilege for our students to attend The West Wyalong High School's Reconciliation Celebration at McCann Park yesterday. Students were entertained by the high school students who played the didgeridoo and a musical quartet who played violin, double bass and sang in Wiradjuri.

Linton from The West Wyalong Local Aboriginal Land Council gave a heartfelt speech and spoke about how all of us are shaped by the Australian culture and that we need to be respectful and value others' traditions.

Pie Orders

Our P&C's annual Ganmain pie drive order form is due this Friday. Please complete the order form online or hand in your order form at the front office.

Have a wonderful week!
