Week 10

Welcome Back!

It was wonderful to welcome our students back to face-to-face learning yesterday. The students were excited to see their friends and get back into the classrooms.

Thank you to all our families who did their best during the lock down. Your patience and perseverance were appreciated. Even I found it challenging to teach my children whilst at home and I am a teacher. From all the staff, thank you!

Level 3 Restrictions

We are back to face-to-face learning under Level 3 restrictions. This means that Wyalong Public School will implement COVID safe practices set out by the Department of Education in consultation with NSW Health. The guidelines include: no singing or band, no assemblies, no interschool sport or school excursions. It is mandatory for staff to wear masks in all indoor and outdoor spaces and all staff will be vaccinated by 8th November. Additional cleaning of spaces between sessions will continue. Non-essential adults, including parents, will not be permitted on site.

NAPLAN

On Monday Year 3 and 5 parents received their child's NAPLAN results. If you would like to discuss these with either Mrs Stokes, Miss Hamilton or myself please contact the school. Overall, we are extremely proud of the student's results and their growth.

MIDDLE SCHOOL

There will be NO Middle School this week.

Recognition Week

Last week was School Administrative Support Staff (SASS) recognition week. On behalf of our students and school community I would like to say thank you to Reggie, Gerard, Melissa, Erin, Miss Rowland and Jayne. We are so lucky to have such a dedicated support staff who go above and beyond their role statements to support the teachers and students at our school. Our SASS team are vital to the smooth running of our school – Thank you so much. Your hard work is appreciated by all of us!

Assistant Principal, Curriculum and Instruction

Topyy has been allocated a permanent Assistant Principal, Curriculum and Instruction for two days a week as part of a state-wide initiative. This new role in all schools across the state will ensure high quality literacy and numeracy knowledge and skills are embedded in curriculum. Assessment and high quality teaching practice will continue to be a strong focus at Wyalong Public School. The permanent position will be filled using merit selection and commence in 2022.

Scholarship

The CWA are offering the Phillip Group Educational Grants for students in Year 3-6. Applications are due back by the 17th of September.

Holidays

School holidays will commence next Monday. Students will return on

Tuesday 5th October.
