## Week 7 Term 4

### **Topy Selected as Accelerated Adopter School**

Our school has been identified as an Accelerated Adopter to implement the new syllabuses for Year 1 in 2022. Congratulations to our students and staff as this is a privilege and driven from our evidence-based practices and our excelling results this year.

### **Meeting with Dean White, Executive Director – School Performance**

Last Friday, I had a meeting with Karen Burke (Director, Educational Leadership) and Dean White (Executive Director, School Performance for Rural South and West) to celebrate our academic achievements. Dean wanted to hear about our school's story on how we implemented change and embedded evidence-based practices that have resulted in growth across the whole school.

I explained how we started at the beginning of the year with a new school vision that was driven by high expectations through our respect, responsible and resilient values. A vision that every student knows and says every day.

I shared the new learnings that the staff have undertaken this year in literacy and numeracy, including university courses, working with a speech pathologist and completing book studies. Most importantly, how the staff immediately embedded their learning into the classrooms and shared it with the students.

I also acknowledged the parents for being a part of our learning. When presented at our reading workshop, I was overwhelmed with the positive feedback from this session. (Hopefully next year we will be able to do more of these sessions!)

In essence, I sum it up as Topy is a team effort; we **all** have a shared vision, that everyone is someone at Wyalong Public School. We are all striving for our students to excel and achieve their personal bests.

### **Remembrance Day**

Last Thursday our Year 6 students, Mrs Cooper and Reggie represented our school at the West Wyalong Remembrance Day Service. Our students were acknowledged for their conduct and (presentation) neat attire.

Our Year 5 students ran a moving service in front of the school's ANZAC garden. They explained the importance of Remembrance Day and the significance of the poppy. All students wore a poppy to remember the men and women who sacrificed their life for us. Lest we Forget.

### **Year 5 School Captain Speeches**

Next Friday our Year 5 students will be delivering their school captain speeches to the whole school.

### **Classes for 2022**

Next year we are going to be creating smaller classes for literacy and numeracy. Kindergarten, Year One and Year Two will be in Year groups. They will also be supported by myself as the Instructional Leader.

Students in 3-6 will be grouped into three classes for numeracy. Teachers and students will be supported by Mrs Pettit, as the Assistant Principal Curriculum and Instruction, in the literacy session.

In the afternoon sessions for science, HSIE, PE and creative arts there will be four classes.

If you have any questions regarding classes for next year, please contact me.

### **Primary Day Excursion**

**Monday** 6<sup>th</sup> December students 3-6 will have the opportunity to go to Borambola's Sport and Recreation centre. A note as well as an email will be sent to parents as there is a link for you to register your child/ren. Any questions please contact the school.

### **Level 3 Update**

Keeping us all safe on school grounds A combination of layered COVID-safe plans and measures will allow us to prioritise student and staff safety and keep our school open.

To do this, the following guidelines will be in place:

Students, staff and visitors must not attend school if unwell, even with mild symptoms.

- \* All staff and adult visitors on the school site must be fully vaccinated and provide proof of vaccination.

- \* Masks are required indoors for all staff and adult visitors. Masks can be removed when eating or exercising.

- \* All staff and visitors must check in when attending a school site or gathering.

- \* Adults should maintain 1.5 metres physical distancing wherever practicable.

- \* Activities and events should be held outdoors where practical.

- \* Indoor spaces will be well ventilated and as large as possible for the number of attendees - following square metre guidelines.

- \* Students and staff will maintain good hand hygiene and schools will continue with enhanced cleaning, including high touch points.

**From 8 November** Our school will operate on updated Level 3 settings for the rest of Term 4 2021, with the following activities allowed in a COVID-safe manner: Assemblies and presentations are allowed outdoors. Fully vaccinated visitors (including parents and carers) are only allowed to attend if completing a specific role (such as presenting) and at the invitation of the school. Community use is allowed outside of school hours (including P&C meetings) with COVID-safe plans in place – in line with public health requirements. Excursions are allowed outdoors (and indoors where sole use of the premises is available). School sports are allowed, including inter-school sports and access to indoor and outdoor pools (from 1 November). Transitions and orientations are allowed in a COVID-safe way that minimises mingling between students.

Parents and carers on site to support school operations Fully vaccinated parents and carers will be allowed on-site to support curriculum delivery, student wellbeing activities and school operations (for example reading support, canteens and uniform shops). Parents and carers must check in using the school check-in and show proof of vaccination on entry to the school site.

Have a wonderful week,  
Kylie Taylor  
Principal
