

Wyalong Public School

At Wyalong Public School students, staff and the community are respectful, responsible and resilient learners. We have high expectations of ourselves and others. We are life-long learners and responsible citizens.

Everyone is someone at Wyalong Public School!

Week 10 Term 4

13th December 2022

Last Week for Students

This is the last week for students for 2022. We wish our Year 6 students all the best for high school, and we are sure they will take many memories and learnings with them. Remember once a Toppo student always a Toppo student.

Choir

Thank you to our students who performed at the Christmas Carols on Sunday. It was pleasing to hear positive comments about their performance and behaviour during the carols.

Our choir will be going to the Home and Community Care Centre on Wednesday to sing for the patrons.

Thank you to Miss Hamilton and Mrs Cooper for organising and training our choir.

Presentation Night

All parents and community are invited to our Presentation Night this Wednesday at 6:30pm at the S&C Club. Students are asked to be there at 6:15pm.

Enrichment Day

On Thursday students will be participating in Enrichment Day. Students can wear mufti clothes, but enclosed shoes and sleeves are to be worn. Students who are participating in water play are to bring their swimmers, rashie and towel.

Last Day Celebrations!

On Friday, students will be going to the pool at 10:30am to celebrate the end of the year. The P&C will be cooking and supplying sausage sandwiches and watermelon for lunch. Students will be allowed to purchase from the pool canteen for recess only. If your child does not like sausage sandwiches, please pack their lunch.

Students can wear mufti clothes and bring their swimmers, rashie and towels. A note for swimming will go home today and must be returned to allow students to swim.

Visit from Constable White

Last week, Constable White visited the school to talk about cyber safety and bullying. It is important that over the holidays our students use this knowledge to be safe and kind online. In 2023, the school is committed to continuing to educate our students on cyber safety and bullying.

2023

Next year we have planned to have four classes; Kindergarten, 1/2, 3/4, and 5/6. However, this may change due to extra staffing.

Students return to school on Tuesday 31st January 2023.

Thank you to our amazing parents and community for their support this year and I know 2023 will be full of amazing and engaging opportunities for each and every one of our students. I wish everyone in the community a very Merry Christmas and a prosperous New Year!
