Week 5, Term 3

16th August 2022

Welcome to Week 5.

Literally Building the Future with "Today's Students are Tomorrow's Future"

Last week Cam Stokes from Stokes Building spoke to 16 students about the building industry including the skills required to become a builder and how school can support with these skills. The students enjoyed the practical section where they were taught how to use a hammer correctly.

As part of this initiative, guest speakers will be talking to students about the different opportunities that are available to them in their future. This week we are welcoming Nicketa Spackman to talk to the students about Early Childhood.

Parent Portal

Please remember to register on our parent portal if you have not already done so. The portal will improve our communication by allowing parents to sign permission notes, explain absences, view newsletters and receive reminders or notifications.

District Athletics Carnival

Unfortunately, due to the wet weather, our Lower Lachlan District Athletics Carnival has been postponed until next Tuesday 23rd August 2022.

Thank you to the parents who have volunteered to work in the canteen and/or cook for the day. I have sent out a message with times to those helpers, if these do not suit for the following week please contact the school. It is not too late to help, simply ring the school or offer on the day.

Zoo Mobile

Tomorrow, students will be welcoming the Taronga's Zoo mobile. This incursion provides students with hands on experience with native Australian animals. They will be learning about wildlife in the environment and their unique features that help them to survive. We will also be welcoming Barmen Public School.

Playground

Last week the playground installation started. The playground has been cemented in. Yesterday the soft fall was delivered. Once the soft fall has been installed the play equipment will need to be signed off as being safe. Then it will be open for the students to play on.

Thank you to Stokes Building and Derek Cooper for donating their safety fencing to keep students and the community safe!

This week the students will continue to be learning about the human body in English and PD/Health. Our 3D printer will continue to be busy printing students' key ring designs.

Have a wonderful week!

EVERY DAY COUNTS...

A day here or there doesn't seem like much, but...

When your child misses just...	that equals...	which is...	and therefore, from Kindy to Year 12, that is...	This means that the best your child can achieve is...
1 day each fortnight	20 days per year	4 weeks per year	Nearly 1 ½ years of school	Equal to finishing Year 11
1 day a week	40 days per year	8 weeks per year	Over 2 ½ years of school	Equal to finishing Year 10
2 days a week	80 days per year	16 weeks per year	Over 5 years of learning	Equal to finishing Year 7
3 days a week	120 days per year	24 weeks per year	Nearly 8 years of learning	Equal to finishing Year 4

Give your child every chance to succeed...

Hello

My name is Erica Hall

I am the proud and surprised receiver of a Certificate of Recognition at this year's Education Week Assembly for school community contribution. 7 years ago, I joined the Toppo School experience. In the first year after 19 years since my last kinder school time, I found it quiet challenging as my child was attending class with my older daughter's best friend's child. Yep I was feeling my age!

I decided I'd join the P & C the next year, well what a great time I have had since. I have never held a position and that suited me just fine as a full-time worker.

The experiences and friendships I've made, have made my time at Toppo school an awesome experience.

I have never felt that my point of view or ideas in a meeting/canteen or just in general conversation were ever dismissed. But I also knew that if it wasn't attainable no judgement was made.

The look in your child/children's eyes when you show up at an assembly, presentation day or at a sports carnival is priceless and the pride that they have in their school is lovely to see.

They are just as proud if you help at a school function. Even if it's only for an hour or you bake a yummy treat. Gosh I made a soup for the last function and worried all day that it was too spicy. Well guess what! It was a success. I was even asked for the recipe.

All money raised goes back to the school. The P & C over the years have been able to supply valuable resources to support the children. Whether being home readers, grants to update the school's equipment, supplementing excursions, providing computers or just some air-conditioning to our talented admin staff (happy admin, happy school). This is just a small summary of what the P & C has been able to do.

Honestly think about attending a meeting, baking an easy treat, giving an hour to help on a street stall or canteen, you will be supporting our school.

Did you know that we have a teacher and the principal at every meeting? They are there to support you.

Ava and I are really going to miss our Toppo School family, but we haven't finished yet. We will both enjoy every moment or opportunity to help before we start our High School experience next year.

Thanks
Erica Hall
