

Wyalong Public School

At Wyalong Public School students, staff and the community are respectful, responsible and resilient learners. We have high expectations of ourselves and others. We are life-long learners and responsible citizens.

Everyone is someone at Wyalong Public School!

Week 6, Term 3

22nd August 2022

Welcome to Week 6. This week our newsletter will be sent out today due to the District Carnival tomorrow.

District Athletics Carnival

Tomorrow, we have 26 students competing at the Lower Lachlan District Athletics Carnival. We wish all our competitors all the best for the day.

Students who are competing in the 1500m please be there by 8am as the race will start at 8:15am. All other competitors are asked to be there by 8.45am. The ground is damp and there are slight showers predicted for the morning, so please pack spare socks, shoes and wet weather attire.

Thank you to the parents who have volunteered to work in the canteen and/or cook for the day. It is not too late to help, simply offer on the day.

Parent Portal

Please remember to register on our parent portal if you have not already done so. The portal will improve our communication by allowing parents to sign permission notes, explain absences, view newsletters and receive reminders or notifications.

Today's Students are Tomorrow's Future

On Friday, Nicketa Spackman talked to the students about Early Childhood. She was impressed by the student's questions. Nicketa also spoke about needing to have patience, resilience, the ability to take feedback and work collaboratively with colleagues.

This afternoon Michael James spoke to the students about farming, fabrication and the opportunities TAFE has to offer.

Informative Writing

In this week's newsletter we are showcasing some of the 3/4/5/6 informative writing on the human body. It was a delight to read these and I was very impressed by the structure and content of the writing. Please take the time to read these.

Book Week

Mrs Dixon set up our Book Fair today. All students had an opportunity to write a wish list for Wednesday's Book Fair. You are invited to our Book Fair on Wednesday. It will open at 10:30am with our Book Parade. Students are encouraged to come dressed as their favourite book character or this year's theme, 'Dreaming with Eyes Wide Open.' If you are unable to attend, books can be purchased online or money sent in with students. After the parade, students and family are invited to have a \$5 hotdog lunch special. Please order by Tuesday, including family members.

Playground

Last week, BJ cemented a new handball court between the tennis court and the playground. This will not only provide the students with another play area but it will also help the water run off from the tennis courts. Over the weekend, BJ, Jayne, Steve, Kellie and Matt put the soft fall around the playground. They then carefully moved the cubby house to the other side of the tree to make room for our future sandpit.

Thank you to all those people involved.

Have a wonderful week!

Kylie Taylor
Principal

Every student. Every day.

Please notify the office by phone or the parent portal by 9.30am if your child is absent from school that day.

EVERY DAY COUNTS....

A day here or there doesn't seem like much, but...

When your child misses just...	that equals...	which is...	and therefore, from Kindy to Year 12, that is...	This means that the best your child can achieve is...
1 day each fortnight	20 days per year	4 weeks per year	Nearly 1 ½ years of school	Equal to finishing Year 11
1 day a week	40 days per year	8 weeks per year	Over 2 ½ years of school	Equal to finishing Year 10
2 days a week	80 days per year	16 weeks per year	Over 5 years of learning	Equal to finishing Year 7
3 days a week	120 days per year	24 weeks per year	Nearly 8 years of learning	Equal to finishing Year 4

Give your child every chance to succeed...

Every day counts!

Tuesday 16th August 2022

Book Fair & Parade

Wednesday 24th August 2022

Year 6 Parent Meeting

Thursday 25th August 2022

5:30pm @ Toppo Pub

Todd Woodbridge Tennis

Friday 26th August 2022

Kinder O Parent Information Session

Tuesday 30th August 2022

6pm-7pm

Canteen is on Fridays. Menu can be viewed on Sentral

Todd Woodbridge Cup will be held on Friday 26th August 2022. Years 3 & 4 will be attending.

Details & Permission note is on Sentral. Please pay online or at the front office

The Respiratory System

Did you know that if you did not have a respiratory system, you would be dead because it is our lungs? The respiratory system is important in your body. Your lungs are the only organ that floats on water. Lungs look like red spongy items in your body. The lungs are not the same size, because the left lung is smaller to make room for the heart. If the respiratory system wasn't real and functioning correctly, we would be dead because it helps us breath. **Ashley Year 3**

Did you know that our body is a complex biological network that hold cells, bones, organs and systems that work together? There are eleven major systems including the nervous system, respiratory system, immune system, skeletal system, and lots more that work together to keep our body working. The systems ensure blood flows, lungs inhale oxygen and exhale carbine dioxide. All these systems help to protect our body from outside invaders and allow us to function for everyday life.

Respiratory system

Have you ever thought about that all animals have a respiratory system in their body? It is the only part of the body that can handle the flow of O₂, oxygen, so we can breathe. Oxygen is necessary for cell metabolism which gives us our energy. The main organ of the respiratory system is the lungs. They also allow humans to breathe in fresh air and breath out carbine dioxide. If we didn't have our respiratory system, we would suffocate because there would be no oxygen in our body so we can survive.

Aiden Year 5

The muscular system is a collection of muscles, tendon and ligaments. The muscular system works very closely with the skeletal system to make it possible to move. There are over 650 muscles in the human body. The heart, cardiac muscle, is an involuntary muscle, meaning it works without you needing to think. The muscles that allow you to move your arms and your legs are called voluntary muscles which are controlled by the brain. The largest muscle in the body is the gluteus maximus. While the muscular system is interesting, it would not work without the nervous system.

What is the nervous system? The nervous system, brain, nerves, spinal cord, controls the entire body, from the muscles providing movement, to what you say. It does this by using electricity and nerve cells, which are called neurons. The only organ that is inside of the nervous system is the brain. When you exercise, a chemical is released that is called serotonin. The nervous system is one of the most important systems in the body.

Toby Year 6

The Skeletal System

The skeletal system is the system that prevents us from becoming fleshy puddles. The skeletal system, bones, cartilage, ligaments and tendons, provides structure in your body and protects your vital organs. The adult skeletal system has 206 bones, while a baby has 350 soft bones that fuse together eventually. All the bones in your skeleton have marrow in it, and although it may sound disgusting, marrow is edible and very good for you. If you continue to eat and drink dairy products, like milk and cheese, your bones will continue to harden so the bones in your body do not break. Since the ribs in your skeleton protects your lungs, getting hit in the chest doesn't have to be terrible, you may just be a little short of breath.

Ava Year 6

The Human body is a fascinating collection of systems, that work together to keep the body functioning. Today we will be learning about three of the 11 systems in the human body that keep it running.

Did you know that the skeletal system is an important part of our body? The skeletal system, bones, ligaments, tendons, provides the body its structure and without it we could not stand or even move. It also protects the internal organs such as the brain, heart and lungs. When a baby is born it has 350 soft bones, but as humans grows, they fuse together to make 206 adult bones. The outside of the bones is hard, but the inside is soft and spongy and contains marrow. Marrow is where the platelets, red blood cells and white blood cell are made. Although the skeletal system is an essential system in the human, there are others important systems in the body such as the nervous system.

Tyler Year 6

Why did the skeleton go to the party alone?

Because he had no body to go with!

Hi my name is Izzy and I am going to inform you about the human body. There are eleven systems in our human body which are fascinating to learn about. I am going to talk about the muscular system and the skeletal system.

Do you know the skeletal system gives us our structure but that is not all, it protects our organs? In the human body we have 206 hard bones, if we didn't have these bones, we would have no shape. The rib cage protects our internal organs and our skull protects our brain. If we did not have a skeletal system, we would be flat on the ground not being able to move at all.

Kindergarten Orientation Parent Information Night

Tuesday 30th August 2022
6:00pm to 7:00pm

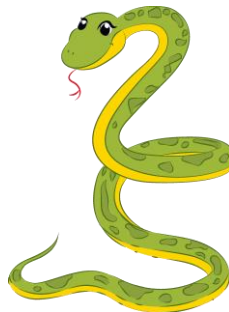

Kindergarten Room at
Wyalong Public School

Kindergarten! ... here I come!

CAREER DAY

The theme is about stepping
into your own story,
dreaming with eyes open...

learning from friends who
help you on your way.

Book Fair & Parade - Wednesday 24th August 2022

Help us turn
BREAD BAGS into
SCHOOL PLAY EQUIPMENT

COLLECTIONS CLOSING SOON!

Our school is taking part in the Wonder Recycling Rewards campaign this term.

Help us collect bread bags so we can earn points to redeem on new RHSports equipment.

It's simple! All you need to do is keep your empty bread bags and send them to school with your kids! We will then place them in Wonder's pink collection box and post them off to be recycled. The more we collect the more points our school earns!

Collections close 9th September.

Tip for collecting:
Use one empty bread bag to collect a bunch of other bags.

Did you know?
We can now collect our bread bags over the holidays!

BRING IN YOUR BAGS BEFORE SEPT 9TH!

*Includes early learning centres and pre-schools.

Tag @wonder.australia #wonderrecyclingrewards to share all your recycling champion stories!

Full of Goodness

WYALONG PUBLIC SCHOOL taking enrolments for 2023

Kinder Orientation Program

21st October 2022—1/2 day

28th October 2022—1/2 day

4th November 2022—Full Day

11th November 2022—Full Day

**Please contact the school for more
information and to secure your child's
place at Toppy School for 2023.**

Phone: 0269722140

Email: wyalong-p.school@det.nsw.edu.au

POSITIONS VACANT

- ★ NO WEEKENDS
- ★ BE PART OF YOUR LOCAL COMMUNITY
- ★ CERTIFIED TRAINING AVAILABLE
- ★ PERMANENT WORK

We are looking for reliable permanent and casual cleaning staff members across West Wyalong, to support the ongoing additional cleaning at NSW Schools & Agencies.

All you need is a valid Working with Children Check, be COVID-19 vaccinated and able to complete a pre-employment, and we can help with the rest! Joss will pay for your Criminal Record Check, provide uniforms and ongoing training.

We look forward to hearing from you and welcoming you to our family owned Company. Please email us at careers@jossgroup.com.au for an application pack! Visit www.jossgroup.com.au to see the NSW areas we cover!

BLAND SHIRE CHILDREN SERVICES UNIT ENROLMENTS 2023

expressions of interest

Are you thinking about enrolling your child in an Early Childhood service in 2023?

Bland Shire Children Services offers a variety of Early Childhood Services which provide a quality educational program for children, in a nurturing and calming environment.

- Bland Preschool
- Bland Shire MRU (Bland and Ungarie)
 - Family Day Care
 - ITAV and Toy Library

Enrolment packs for all these services will be available from -

Monday, 12 September to Friday, 23 September

If you would like a pack for any of these services please phone the office on 69722795 to arrange pick up or postage.

*Bland Shire Children Services Unit is located at—
130 Pine Street, West Wyalong*

GETTING STARTED

Welcome to School24. We look forward to providing you with an easy-to-use online ordering platform that can be used on-the-go at any time! Getting started is easy, just follow the steps below and you'll be ready to make your first order in minutes.

Registration

To register, visit www.school24.net.au on **any device** OR install the School24 mobile app on your **iPhone/Android** from the Apple App Store/Google Play Store

A red rounded rectangular button with the text "Log In | Register" in white, followed by a right-pointing chevron.

- Press the **ORANGE** registration button to create your account
- Enter your unique school ID number **below** to match your account with your school
- Once completed click **Create Account**.

Wyalong Public School: **25420963**

Congratulations you are now registered!

Activate your Account

Go to www.school24.net.au OR using the app you downloaded earlier to your iPhone/Android

- Use your registered email address and password to login. Once you have logged in you will need to complete the following steps to ensure you are ready to make your first order.

Step 1

- Setup your children. In the middle of the screen there is a **'Students'** button. Here you can input your child's name and class, along with any allergies or special requirements they may have.

Step 2 (optional)

- Top-up your account. You will be taken to a secure page where you can select a top-up amount and enter your card details. Top-up is instant when using visa/master cards. You can pay as you go when purchase an item/product at School24, top up a school24 account is only optional.

Place your first order!

Congratulations. You are now ready to make your first order.

For information on how to place your first order and use the School24 system, please visit our Help Center: <https://school24.tawk.help/>

If you have any queries please do not hesitate to contact our friendly support team on **02 7251 69 39** or email us at info@school24.net.au

SENTRAL Parent Portal

Wyalong Public School are focusing on reducing the amount of paper we use.

Did you know that on the Sentral Parent Portal you can:

- View the weekly newsletter
- View and sign permission notes
 - View Canteen menu
- Report your child's absence for the day
- *Coming soon* – book parent teacher interviews

Please return to the front office.
