Week 1 Term 2

26<sup>th</sup> April 2023

## Welcome Back

I hope everyone had a wonderful holiday and that there was time to recharge batteries. Term 2 will provide many opportunities for students and staff. Last term we were very successful with our sporting and as a result many of our teams have advanced to the next rounds in PSSA Knockout competitions. We will be competing in the Premier's Debating challenge which will include two gala days. Students will also be starting dance and drama in Friday rotations, so we are ready for our school's concert in Term 3.

## ANZAC Day

On the last Wednesday of Term 1, our Year 6 leadership team lead a moving ANZAC service. They reflected on the importance of ANZAC Day and how the service men and women's sacrifices have allowed us to live a peaceful life.

Thank you to our students and parents for coming to the Wyalong and West Wyalong ANZAC services. Our leaders read solemnly at the Wyalong service. Once again, community members made positive comments about our students.

## Cross Country and Tabloids Day

On Friday, students will be competing in the cross country. Barmedman Public School students will also be joining us; however, each school will have their own winners for each event.

Students will run 1-3km around the perimeter of the school and finish at the front entrance. We invite all family, friends and carers to join us for the day to cheer the students on, have a BBQ lunch and watch an afternoon of Tabloid games.

Special lunch orders for Friday have gone home today and need to be returned tomorrow. This ensures we have just the right amount of food. Please also order for other family members who will be joining us for lunch.

## Canteen

During the holidays, there has been some building works around our school, including an upgrade to our canteen. The canteen's floor was lifted and walls replastered. It now has cupboards that are sealed, stainless steel benches and space to store everything! We are still waiting for the flooring to be completed before we can move anything into the canteen. As a result, there will be no canteen until 11th May, Thursday week 3.

## GRIP Leadership

On Monday, our school captains and prefects will be travelling to Wagga to the GRIP Leadership Conference. This conference focuses on training student leaders for their role as SCHOOL LEADERS. The style, topics, and content of this conference all focus on what the students can do RIGHT NOW. Leaders will be traveling on a bus with West Wyalong Public School's leaders.

## How People and Events Shape Australia

This term students will be learning about significant people and events in Australia and how they have impacted Australia. Students will be using this knowledge to write informative, persuasive and creative writing pieces.

## BOUNCE Back!

We will be continuing to focus on our Bounce Back! program that promotes positive mental health, wellbeing and resilience for both students and teachers and builds safe and supportive classes and school learning environments.

Today we will send home information on the 10 statements that help children Bounce Back and how you can support your child/ren at home.

Have a wonderful week!
