Week 2 Term 2

2nd May 2023

Cross Country and Tabloids Day

Last Friday, students competed in our school's cross country and tabloid sports afternoon. The day was a great success and the weather was on our side!

We welcomed Barmedman students and included them in all the activities. All students participated to the best of their ability and demonstrated outstanding sportsmanship.

Congratulations to our winners:

Seniors:	Clementine and Cody
11 yrs:	Rorie and Max C
Juniors:	Abbey and Nate
Minors:	Maicie and Colt

Thank you to our Year 6 students who ran the tabloid sports. It was delightful to see them all shine in this leadership role; I think we have a few teachers or coaches in the making! The Barmedman staff were extremely impressed with all our students but particularly the Year 6.

Thank you to Mrs Pettit and Reggie for organising the day and the staff for preparing lunch.

Next week, notes will go home to those students who will be competing in the District Cross Country at Ungarie.

NSW Mathematics Strategy Program

Our school has been selected in the Building Mathematics Specialisation in Primary School Initiative. This initiative provides our school staff with sustained, responsive, and evidence-based professional learning which aims to:

- enhance the knowledge and use of effective practices in the teaching and leading of mathematics
- build confidence in the teaching and leading of mathematics
- increase student engagement and achievement in mathematics.

Mrs Blackwood will be leading this project and working closely with all our teachers.

GRIP Leadership

Yesterday our leaders travelled to Wagga to participate in the GRIP Leadership Conference with leaders from West Wyalong Public School. Students listened to guest speakers, had opportunities to develop their leadership qualities and learn practical skills they can use in their roles at school and beyond.

Positive Detective

This term we are encouraging students to be positive detectives in our school. We are asking students to spy responsible, respectful, and resilient behaviours from other students in the school. This helps promote a positive environment, builds confidence, and creates a sense of community within our school.

Students are encouraged to name the student/s and be specific in what they did. These are placed in a box and one is selected each week to go in the newsletter. All students' 'evidence cards' will be pinned to the display board on the verandah.

Last week, one of our positive detectives spied Max Crowe for showing empathy towards a younger student who was hurt during a soccer match at lunchtime.

Have a wonderful week!
