

Wyalong Public School

At Wyalong Public School students, staff and the community are respectful, responsible and resilient learners. We have high expectations of ourselves and others. We are life-long learners and responsible citizens.

Everyone is someone at Wyalong Public School!

Week 2 Term 4

16th October 2023

Heart of Gold Festival

Congratulations to the Heart of Gold Festival committee for organising an amazing weekend! There was positive energy and a buzz of excitement in the community and it was wonderful to see so many of our families participating in the activities. Congratulations to the few students who were old enough to be a part of the gold panning and now are a world record holder!

Thank you to the students who performed on Saturday and to their parents who made that possible! The students performed with smiles on their faces and represented our school community proudly.

School Photos

Thank you to parents for having their children in full summer uniform. If you have not already ordered your photos, it is not too late.

Basketball Gala Day

On Thursday, most students in 3-6 will be participating in the basketball gala day at the West Wyalong Basketball stadium. Notes are available on the parent portal.

Kindergarten Orientation

This Friday, we will be welcoming our 2024 kindergarten students to our school. These students will be participating in our four-week Kindergarten Orientation program. Our Year 5 students will be involved in this program as peer support leaders. If you know any students, please encourage them to attend or contact the school.

Term 4 – No hat, no play

Please make sure your child has a **school hat** in their school bag, otherwise they will only be able to play in the shade. Please note that it is a **school hat** that is required. If your child has lost their hat, they are available for \$10 at school.

P&C Harness Race Canteen

This Friday, the P&C are holding their canteen again. If you can donate cakes, slices or sandwiches, please message the P&C page or ring the school. There will also be an 'interview' through the portal to book timeslots for volunteering an hour on the canteen. If you are available, please offer as more helpers make less work for everyone.

Fruit or Vegetable Break

Each day, all classes have time allocated for a fruit and vegetable break. At this time, students can eat either a piece of fruit or vegetable, nothing else.

Breakfast Club

Every morning, three students run our breakfast club. Students can have toast or cereal. Breakfast is an important start to student's morning as it improves student's energy levels and ability to concentrate in class.

Concert

Today the students had a full day at the S&C club to practice our dance concert. Please remember to bring in costumes with names clearly written on them, in a named bag. Dates for other practises are on the calendar. Please make sure you have all saved Thursday 2nd November at 6pm for the dance concert, which will be held at the S&C Club.

Primary Excursion

Primary excursion notes went home on Friday, this excursion will not be available on the portal. If you do not have a thin mattress, please let me know as I have sourced some. Students are to wear school uniform on the Wednesday and pack casual clothes for the Thursday. Please remember to pack jumper and tracksuit pants as the evenings can still be cool.

Have a fantastic week!

Kylie Taylor
Principal

3/4 Detectives

Bone Puzzle Baffles Detectives

Detectives have found a bone buried in a hole on the banks of a lake. Forensics have established that the bone is a radius bone, and that it certainly belongs to a human being. The bone measured 28cm long.

Police don't know the gender of the person yet. The detectives hope to soon provide a clearer picture of what this person may have looked like.

Can you find who the bone belonged to?

Congratulation!!

Wyalong Public School staff participated in the local Seek Fitness 24hr Spin Challenge on Friday afternoon.

Seek Fitness have been busy raising money for our local Can Assist.

Well done to all involved in this great cause.

Office for Regional Youth

Help us improve experiences for young people in NSW.

If you are a parent, guardian or member of the community that supports young people aged 12-24 years, we want to hear from you.

We want to understand the priorities for young people and their communities.

The data collected from this survey will help the NSW Government understand the experiences of parents, carers and others who support young people.

Together with data from consultation directly with young people, this will help inform policies to provide better support for them in the future.

Scan the QR code to fill out the survey or visit:
