Week 3 Term 2

9th May 2023

Good luck to our P.S.S.A Teams

Today our girls' netball team travelled to Tullamore to play against Nyngan Public School. We will have a full report in next week's newsletter and post our results on Facebook.

On Friday, both the boys and girls basketball teams will be playing West Wyalong Public School. We wish them both the best of luck.

Welcome to our Topy Team

In week five, we will be welcoming Mrs Melanie Meincke to our teaching team. Mrs Meincke comes to our school with many years of kindergarten teaching experience. She is also keen to learn about our school and meet all our wonderful students and their families.

Mrs Meincke will be team teaching in the morning and middle sessions on kindergarten and will be doing release from face to face in different classrooms in the afternoon. She will also be running wellbeing groups for some students.

Please note that Mrs Meincke is not replacing anyone but due to our Building Mathematics Specialisation in Primary School Initiative we have been given more staffing allocation.

If you have any questions about the staff changes please don't hesitate to contact the office and make an appointment.

West Wyalong AECG Meeting

It is very exciting that West Wyalong Aboriginal Education Consultative Group Inc (AECG) will be holding their first meeting next Thursday at 2pm in the library.

The aim of the AECG is ensure that there is active involvement in consultative process between members and communities; provide opportunities for Aboriginal people to be actively involved in all decision-making that is relevant to education through a collaborative process; and to empower members by providing appropriate and effective knowledge and skills to engage in the development of policies and programs that enhance the unique identity of Aboriginal students and promote pride in Aboriginality.

School Improvements

During the holidays and this term, we have had a hive of activity from our assets team to improve our school. These improvements will include:

- ✓ an upgrade to the canteen;
- ✓ new carpet in our four classrooms, library and office area;
- ✓ painting in the office, outside the 3/4 and 5/6 classroom and the toilets;
- ✓ a storage shed to replace our crumbling shed down the back;
- ✓ varnishing the Kindergarten and 1/2 verandah; and
- ✓ regrouting the tiles in the toilets.

As a result, some areas will be out of bounds or non-functional, including our canteen, meaning another week or two before canteen resumes. We apologise for any disruptions, but we are very grateful that these works are being completed.

Positive Detective

Last week, one of our positive detectives spied Miller for picking up a student's homework that was blowing away in the wind.

Have a wonderful week!
