

Wyalong Public School

At Wyalong Public School students, staff and the community are respectful, responsible and resilient learners. We have high expectations of ourselves and others. We are life-long learners and responsible citizens.

Everyone is someone at Wyalong Public School!

Week 3 Term 4

23rd October 2023

Good Luck Rorie!

On Wednesday morning, Rorie will be competing for Western Region at the NSW PSSA Athletics Championships for long jump. This is an amazing achievement and we wish her all the best!

Special Person's Afternoon

On Wednesday at 1:30pm, we will be holding our Special Person's Day. This afternoon will commence with the choir and dancers performing. Special people will then be taken around the classrooms by the students. Each classroom will showcase one activity. Some of these activities include robots, maths games, STEM challenges, gardening, or an outdoor game area option. The special people will also be invited to have a Devonshire tea and something to eat in the staffroom. We look forward to seeing you on Wednesday.

Check-Ins Year 3-5

This week Year 3-5 will be sitting their Check-in assessments, consisting of a reading and numeracy assessment. These assessments identify how students are performing and help teachers tailor their teaching more specifically to meet our student's needs. Both tests are on the computer and results are returned to school within the week.

Kindergarten Orientation

Last Friday, we welcomed our 2024 kindergarten students and their parents to our school. The students settled in nicely and particularly enjoyed spending time with their buddies at lunch time. This Friday, they will be joining us again from 9-12pm.

Thursday Excursion

The West Wyalong Aboriginal Land Council (WWALC) have organised Cody Walker, Luke Carrol and Eddie Betts to come to West Wyalong for a morning with primary/high students from all schools in the Bland Shire. Our students will be bused to Ron Crowe Oval and then participate in three rotations. Student will have an opportunity to meet these people, kick a football and ask a question. Our Indigenous students have also been invited to an afternoon with these stars on Wednesday after school. Invitations to this event went home last week. Thank you to WWALC for organising this amazing event.

Concert

Mrs Blackwood is still chasing students for their costumes. If you are having trouble, please ring the school as we might be able to help you. Remember to bring in costumes with names clearly written on them, in a named bag. Dates for other practises are on the calendar. Please make sure you have all saved Thursday 2nd November at 6pm for the dance concert, which will be held at the S&C Club.

Primary Excursion

Thank you to the parents who have returned their notes. Please make sure all notes are returned including general consent, medication and permission to publish. If you need these notes again, please ring the school. A reminder to also request a mattress, if needed. Students are to wear school uniform on the Wednesday and pack casual clothes for the Thursday. Please remember to pack jumper and tracksuit pants as the evenings can still be cool.

Have a fantastic week!

Kylie Taylor
Principal

Primary School Basketball Gala Day

On Thursday, some students in 3-6 participate in the first Primary Schools Basketball Gala Day. Our students played against St Mary's teams in the morning and then played in mixed teams for the afternoon. It was so wonderful to see our students demonstrating positive sportsmanship, making new friends and for a lot trying something new.

Thank you to Mr Collins for organising the day and to the WWHS volunteers who refereed and scored the games. The day ran incredibly smoothly, and all students had a fabulous time. We look forward to continuing this event in the future.

What's Happening

Wednesday 25th October

1.30pm -3pm

Special Persons Afternoon

Thursday 26th October

9:30-11:30am

WWALC's Meet the Stars

Office for Regional Youth

Help us improve experiences for young people in NSW.

If you are a parent, guardian or member of the community that supports young people aged 12-24 years, we want to hear from you.

We want to understand the priorities for young people and their communities.

The data collected from this survey will help the NSW Government understand the experiences of parents, carers and others who support young people.

Together with data from consultation directly with young people, this will help inform policies to provide better support for them in the future.

Scan the QR code to fill out the survey or visit:
