

# Wyalong Public School

*At Wyalong Public School students, staff and the community are respectful, responsible and resilient learners. We have high expectations of ourselves and others. We are life-long learners and responsible citizens.*

*Everyone is someone at Wyalong Public School!*

Week 4 Term 4

23<sup>rd</sup> October 2023

## Concert Week!

On Thursday, students will be performing their 'Dance Concert'. They will be performing at 11am to schools and 6pm to parents and guests. Due to the concert, there will be **NO canteen** available.

Today students had a full-dress rehearsal.

On Thursday- students arrive at school as normal, packed lunch as there is No Canteen. Girls with hair in tight high ponies (we can do some hair at school but it would be good if those who can, do it at home), boys with neat hair. 5/6 students need to wear their sneakers. IF YOU NEED YOUR HAIR DONE AT SCHOOL, THE SALON OPENS AT 8:15 AND WILL CLOSE AT 9.30. Please have hair brushed with no knots.

Thursday night- Please have your child at the S&C club by 5:30pm. Girls with hair in tight high ponies, boys with neat hair. 5/6 students need to wear their sneakers and all face paint from earlier removed. Try and have an early tea before coming to the club as this helps to settle nerves.

## Check-in Data Results

Congratulations to our students and staff for above state average and well above similar school groups in all Year 3-6 reading and mathematics check-ins. Over the next few weeks, teachers will be unpacking this data and sharing individual results with each student. Please contact your child's classroom teacher if you would like information on your child's results.

## Special Person's Afternoon

Thank you to all those special people who were able to attend last Wednesday's afternoon. The students enjoyed sharing and showcasing the school to everyone. It was a wonderful event to celebrate being together. Thank you to the staff for providing afternoon tea.

## Meeting the Stars

Last Thursday our students enjoyed meeting Luke Carrol, Cody Walker and Eddie Betts. The students also participated in a Rugby League and AFL development session, where they practiced their skills in a variety of games with school students from around West Wyalong. A huge thank you to Linton and his staff at the West Wyalong Aboriginal Land Council, who organised this wonderful event.

## Kindergarten Orientation

This Friday, our 2024 kindergartners will be at school for the full day, 9am-3pm. Parents are asked to pack their lunch, recess, fruit and drink bottle.

## Year 6 – Transition Week

Week 9, our Year 6 students are invited to the West Wyalong High School for a week of transition. Students will arrive, either by walking, bus or being drop off by their parents. More information will be sent out from the high school closer to the date.

## Captain Speeches

Tuesday 5<sup>th</sup> December our Year 5 students will be presenting their captain speeches to the school at 9am. This week, I will be speaking to the Year 5 students about their responsibilities and commitment that is needed to be a leader of our school.

## Primary Excursion

Thank you to the parents who have returned their notes. Please make sure all notes are returned including general consent, medication and permission to publish. If you need these notes again, please ring the school. A reminder to also request a mattress, if needed. Students are to wear school uniform on the Wednesday and pack casual clothes for the Thursday. Please remember to pack a jumper and tracksuit pants, as the evenings can still be cool.

Have a fantastic week!

Kylie Taylor  
Principal

Office for Regional Youth

## Help us improve experiences for young people in NSW.

If you are a parent, guardian or member of the community that supports young people aged 12-24 years, we want to hear from you.

We want to understand the priorities for young people and their communities.

The data collected from this survey will help the NSW Government understand the experiences of parents, carers and others who support young people.

Together with data from consultation directly with young people, this will help inform policies to provide better support for them in the future.

Scan the QR code to fill out the survey or visit:
