Week 10 Term 1

28th March 2023

## Bike Day & Bring Your Wheels to School

Last Friday over 30 students, parents, teachers and grandparents rode their bike/scooter or walked to school via the Green Corridor. It was a relaxing way to start the day as we rode/strolled through the picturesque scenery of the nature strip. The general suggestion was it needs to be done at least once a term!

During the day, all students were given an opportunity to ride their bike or scooter on the basketball court. Miss K started the session with a bike safety talk and game of Kahoot. Students then completed obstacles on their bikes. Overall, the students enjoyed Wheels Day and just requested longer on their bikes and during breaks. Next Wheels Day we might be able to go down to Redman Oval to test out the BMX track when it is completed.

Thank you to all the parents who made the Wheels Day possible by organising for their child's bike or scooter to be at school.

## PSSA Netball

Good luck to our girls' netball team who will be competing against West Wyalong Public School on Wednesday. After the game, selections for the Lower Lachlan netball team will take place.

## Canteen

Over the holidays, our canteen will be gutted, flooring lifted, new cupboards installed and stainless-steel benches fitted. This will make our canteen safer and more user friendly for both canteen and our Kitchen program.

## A Tolerant Focus

This week and next week, staff and students are focusing on tolerance. Students are developing an understanding of what tolerance is: meaning the ability to accept others for their differences, in their race, culture, learning needs, habits, and even beliefs. To help our students have a successful future, they need to be able to work with others. They need to not be afraid, to step outside their comfort zone and to understand, learn, respect and appreciate others. Tolerance is not about accepting bad behaviour but accepting 'people' for who they are and treating those how you wish to be treated.

## Andrew Plant

The Bland Shire Council and Cathy from the library have organised Andrew Plant, a Melbourne based illustrator, mural artist, author, science educator and theatre designer, to visit our school on Friday. Andrew is five-time CBCA notable book award winner. In his workshops, Andrew will guide students through the process of creating a picture book, focusing on the importance of strong characters and simple clear narratives.

**Have a wonderful week!**
